Health Through Warmth

Warmer homes, better health.

Referral form

Health Through Warmth is an npower community scheme. We aim to improve levels of warmth, comfort and quality of life for vulnerable people with long-term illnesses who need help to install heating and insulation measures or to repair existing systems and appliances, which they can’t afford to fully fund themselves.

Client details:

Name:
Date of birth:
Address:
Town/City:
Postcode:
